

Useful Maths Information P2

Symbols

+ means add **-** means subtract **=** means the same as

Fractions

1 whole

2 halves

2D shapes

Circle

1 side
0 corners

Square

4 sides
4 corners

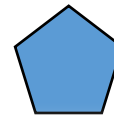

Triangle

3 sides
3 corners

Rectangle

4 sides
4 corners

Pentagon

5 sides
5 corners

Hexagon

6 sides
6 corners

3D shapes

Cylinder

3 faces
0 corners

Sphere

1 faces
0 corners

Cuboid

6 faces
8 corners

Cube

6 faces
8 corners

Square based pyramid

5 faces
5 corners

Measure liquid

Half full

Full

1 litre

$\frac{1}{2}$ litre

Time

When the big hand is on 12, it is o' clock

When the big hand is on 6, it is half past
